Dear Chair Rosa DeLauro and Ranking Member Tom Cole:

I am requesting funding for the Clean Energy On-the-Job Training program for fiscal year 2023.

The entity to receive funding for this project is The New York State Energy Research and Development Authority (NYSERDA) located at 17 Columbia Circle, Albany, NY 12203.

The funding would be used to provide eligible organizations incentives to provide a comprehensive on-the-job training plan, a living wage and support for professional development and wrap around services to new workers in targeted technology areas that will advance the State's clean energy goals.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, reading "Alex Ocasio-Cortez". The signature is stylized and cursive.
